As working people struggle, the top one percent accrues more wealth and more power. Kirtley and C.

Beginning Samsung ARTIK: A Guide for Developers

Civilization is about rules and institutions, and they necessarily impose constraints in the name of true freedom: which is living amongst your peers in the best way for all, not the best way for a few rich people or particular individuals. I will definitely give the author another chance even with the problems due to the writing style and pace of the novel.
