He obtained his MSc in condensed matter from the University of Montpellier in Inhe received his PhD in physics from the University of Toulouse for atomistic empirical simulations applied to Civil Engineering materials. This heterogeneous use of multiple languages stands in stark contrast to the predominantly monolingual, non-abbreviated short messages left in the forum posts as well as the online meeting content from their peer meetings in which the student-teachers carefully construct themselves as future EFL teachers with competent use

of the language they will be teaching.
