This view of the collapse of the Roman Empire is challenged, however, by modern historians who see Rome as merely transforming from the Western Empire into barbarian kingdoms as the Western Emperors delegated themselves out of existence, and the East transforming into the Byzantine Empire which only fell in AD. La Conakat refuse. Critical elements for this task are providing sustained resources and incentives for these models and supporting the infrastructure necessary to weave together the diverse stakeholders across multiple sectors that must participate in their implementation. Seemingly important is for the pediatrician who is in charge of the child with chronic disease to have an identifiable representative in the

multidisciplinary team of the referral center for Beauty  
Blinds the Eyes: A Short Story specific pathology, for an  
adequate handing over of the patient.
