Consider this the Golden Rule of blogging: what would you do or how would you feel if you discovered that someone ripped off your work - even in the most minor of ways - and profited from it. I think you are doing a great job and I admire that you were able to release your book during this hectic time. The Seer of Shadows by Avi Ages 9-12 This scary ghost story, set in 19th century New York City, is narrated by year-old Horace Carpentine, apprentice to a photographer intent on duping a wealthy client.
