Young Fredle

She had resented so strongly, after discovering them, her mere errors of feeling the discovery always made her tremble as if she had escaped from a trap which might have caught her and smothered her that the chance of inflicting a sensible injury upon another person, presented only as a contingency, caused her at moments to hold her breath. I'm so happy this book exists.

STR*TCHED

The multiple frames of the novel work in such a way that the core story of a house that does not obey the laws of physics and the family torn apart during their time there becomes more and more substantive and emotionally impacting. After Heven's attack - by who or what, she doesn't remember - she has these horrible scars covering the left side of her face which has completely changed her world.
