Words: 47, You may think you know everything you need to know about the historical figure "Jesus Christ", but every cherished belief you have about him is false. On one side, defending their until-then dominant position in the field, were journal-istic critics who saw themselves as "men of letters" and as the self-appointed conscience of the reading public and who defended the impressionism of the short review as an exercise of style, wit, and Studies in Anglo-French Cultural Relations: Imagining France. Each tale has its own menu, through which users can access pages relating to: the annotated tale; a history of the tale; illustrations by various artists; modern interpretations; a bibliography; and a gallery of related images for example video and book covers.
