## **Laura: The Adventures of Frank and Joes Mother**

The elastic modulus of the existing slab must be determined for overlay designs and existing JPCP being considered for restoration. If it is possible that the killer is a psychopathic psychotic going through some sort of rapidly cycling bipolar spectrum that pushes her from coherence into word salad in the course of one sentence, instead of throwing all this shit out there and expecting us to swallow it, mayhaps the authors could have explained how all these terms fit together and how they manifest together because by failing to do this, it sounds like someone is just tossing out a whole bunch of stuff that sort of sounds officially crazy and hoping we buy it.
